

Daccle™
LUXURY BATH FITTINGS

Premium
BATH FITTINGS

PROFILE

Daccle Industries is believes in innovation, commitment and performance and customer satisfaction. With this simple philosophy, the brand **Daccle** was born with the mission to create a good product and excellent design that is honestly made and sincerely sold. **Daccle** brand of faucets and accessories stand on two professed benchmarks of constant innovation and compromising quality has cemented our reputation as the most valued premium brand in the bathing industry, because of Every Product passes through stringent quality tests.

Today after many years, **Daccle** adorns many homes across india and aims to reach for newer heights while on this long and eventful journey.

QUALITY OF MATERIALS

Metal Construction

Faucets Constructed with Honey Brass metal which Provides great strength, durability and finish quality

Spindle

All Quarter turn ranges of Spindle are fitted with japanese technology ceramic discs made of Aluminum known to be the hardest material after diamond. Ceramic disc is 15-20% increase water flow even at low pressure.

Foam Flow

Foam flow faucets in all ranges are fitted with world leader, NEOPERL - Made in Germany, honeycomb aerators that mix air with water to form a stream of aerated water (foam flow) which does not splash and spill.

Chrome

The nickel and chromium coating on our faucets is best quality materials for bathroom fixtures

Three Level Tested

Cocet faucets are pressure-tested at 3 levels against dripping, leaking and surface finishing and use NBR Grade Rubber Washer. Faucets tested for performance at Various Pressure to ensure that they meet the most stringent requirements and standards.
